“ *My sincere condolences to the Ogle family and friends from a High School friend, classmate, and running buddy back in the day. Even all of these years later the thought of her brings a smile to my face. Becky was such a kind and gentle person and will certainly be missed. May your heart and soul find peace and comfort during this difficult time.*

“ I remember Becky as a child, riding her bike with Janna (Ogle), Greg Garza, Rachael (Dresser) and me with my daughter, Amanda in the bike seat. The little blond girl with big brown eyes and the infectious giggle never had a lot to say, but she was a joy to be with. We will miss Becky, but will always cherish the memories of good times with her. Our hearts go out to each of you.
