“ *Rebecca was very special to everyone in my family. I or we treasure every moment spent with her. She always made me laugh, even when I felt like crying. We could talk about our dogs for hours and neither of us ever tired of the others stories. She spent countless hours amusing my children, either in song, or behind the bar at Restaurant on Hwy 70 West,(letting my two children, Kacey and Denny make up drinks and a mess), which she laughingly cleaned up after they left on to something new. Dennis had to come and get me out of the bar,(almost every day), so that I could watch the front of the restaurant. We could talk for hours and not even realize the time was flying by. She was always there for us, when we needed her. I can't believe she is gone, but I know she and Woody and countless pets and friends and family are celebrating. Just hope she keeps a seat for me near by, I will want to know everything she has to tell me.I will miss you Rebecca my friend.*

My heart is breaking for you and your family. Your Mother was a joy to be around and always full of laughter and I'm so glad I met her. I will always cherish the hand made knitted scarf she gave me. What a blessing she is!

“ I am so sorry to hear of the passing of your mother. She was an amazing woman. She was always so full of life and laughter. It was always a joy to be around her. She was always so upbeat and she was never afraid to try anything. Nicole, she loved you more than words could say. She was always talking about you everytime I would run into her. She was so proud to have you as her daughter and she was crazy about her grandkids. Becca will be greatly missed by all who knew and loved her.

Love and God Bless.
