Jackie, Donald, David and all of the family ❤️. I am so very sorry to hear of Sweet Beautiful Rhelda passing. I'm including Momma with this. Me and Momma loved this woman so much. Just imagine both of them in Heaven together, what a beautiful gathering they are having. I love all of you, I am praying and sending my love to y'all. Jackie you have so many memories rely on them to put a smile in your heart and on your face, you know Rhelda lobbed you with everything she had in her heart, after all, how could she have put up with you???? You know I always thought of you as two peas in a pod. Donald and David, your momma was always so kind and considerate. She had an old soul with a beautiful heart. It's really hard when we lose a parent, our mommas, our mommas are the glue that holds it all together for everyone, even your daddy, keep an eye on him. His grief is deep. One thing from my heart is you will see Your Momma again, let your heartache work it out, if either of you wanna talk send me FB notification and we can exchange numbers or talk on messenger. I would have put my number on here but not sure who can see it...

I know you hearts are hurting, put your trust in our lord and savior he WILL be there.

I love all of you Bless your families and friends. Hope to hear from you, when TIME allows.

“ *Working with Rhelda and Jackie at GTA came at a what I consider one of my more trying times in life. Rhelda's patience is the one thing that always stood out to me. She was always there, after hours and weekends if need be, never out of reach. I know in my heart that she was the true rock in the Coonrod clan, and will be missed by many including myself. Rest with GOD my lady.*

“ *Rhelda thank you for helping mold me into the man I am today. I came to work for you and Jackie in 1989 as a wet behind the ears 20 something year old. Both of you took me under your wings and not only taught me the turbine industry, you also helped teach me how to be a stand up citizen and father.* ”
