“ i'm sorry for your loss. Ricky and i were quite close back in our high school days. He loved going to the lake and water skiing with me and my friends... lots of fun! We have connected over the years mostly through facebook, and my dad Don, although i haven't seen him in years. I know he loved the family reunion my dad had at the house some time ago. He reflected upon it often. He is loved and will be missed. Sending a big hug to the family ❤️❤️ Angie Haddock Kesselman
