Ritchie was a great friend of mine I am happy to say. We went to ultrasound school together and we were roommates in Dallas while in school. We had great times going to dinner with my parents while they lived there. We always kept in touch after graduating and learning the ropes of what we did and different experiences. I was glad when he moved back to Durant from Tennessee so I could drop by during the holidays to spend some time with the family. I enjoyed our time together playing games and just taking. It was a blessing to have Ritchie as a friend, a great great person and someone I enjoyed talking to about work, life and everything else. He will be really missed in my life....

See you again someday my friend.....

“ *Richie was such a kind soul. I rember how he helped me after my car wreck many years ago. He is the kind of friend anyone would be lucky to have. Such a beautiful person.*

“ *I cannot know your pain, nor can I lessen it. Words are not sufficient. I lift you all up in my prayers, and ask God to wrap you in His arms and comfort you. Richie was, in my memories of him, positive and upbeat, and I know he will be missed. I am so sorry for your loss.*

“ He was a really great friend of my brother and they supported each other all throughout ultrasound school and I always wanted to thank him for that. Only met him a few times at various get togethers at my moms house. I can honestly say I was impressed by his kindness and how big of a heart he had and I truly liked him right away. I could see why my brother called him his friend. I was always glad to see him as he had the biggest smile and a refreshingly positive attitude.

“ I always enjoyed our “parking lot” conversations at our boys’ weekend baseball tournaments...discussing our sons, families, and life in general. Big Rich is a man who loves Jesus and loves his family...no doubt about it. Much love and hugs for LeighAnna and Kale during this trying time. Because of Jesus Christ and his love and sacrifice for Richard, this is not “good bye” but “see you later”. God bless the Mazzone family.

“ The first time I met Richie and LeighAnna, he walked into my house and greeted me like he had known me my whole life. Huge smile, big hug and lots of conversation. He had lots of stories to tell and there was never a dull moment. Richie is just one of those people. He radiated light wherever he went.
