“ *Mike Shelton as I known him as a best friend and more like a brother. I met Mike while living in Burkburnett, Tx. We became best Friends we ran together, shared apartments. Mike like playing music, going Dancing and working on cars. I could not have a better friend than Mike. His family Melvin Davis, Linda Davis, Rick Shelton, Sherri Shelton, Virgal Shelton and Mother Marie Shelton treat me like faimily. I could alway count on anyone of them. We had some good times and bad time through thick and thin but I could always count on Mike to have my back on anything. I visited Mike in Temple, Ok and I learn he was married and seem to be happy and look good. I lived in Temple, Texas in Central Texas. I was so sad when I herd on my Best Friend had pass away, his memories of are friendship are still with me to this day April 2020. May Mike RIP my we meet again, John Sullivan.*
