“ *I wish that I had seen this sooner. I could kick myself for not looking for Richard sooner. I was hoping to find him as he would have been my last living relative outside of my kids and grandkids. Richard was my brother. Unfortunately, I never met him. The last time I saw my Mother, Jubie, was the only time I remember seeing her in 1963 when was 10. Less than 2 years later, I lost my Dad. Shame on me for not trying to find Richard many years ago. My loss.*

“ *Richard,*

I am going to miss you. You taught me so much that I will never forget. I remember when we first met, you took me under your wing and nourished me back to the place that I needed to be. I will never forget you and everything that you taught me will never be forgotten. You will always be in my prayers. May you rest in peace. I will always love you. Love you, Vicki

“ Chubby was à name I heard often in our house growing up. My dad (Eddie French) loved his family & his siblings & would talk about them often. I pray they are all in heaven rejoicing with granny & all that has gone on before us. My condolences to each of you in the loss of Chubby.

“ Our thoughts and prayers are with you and your family. "Chubby" and I went to school together at Utica. His mom, Jubie, use to spend time at our house, Lester and Eula Jamisons. Chubby and I use to ride our dirt bikes together out by Wolf Creek. I remember when he had a wreck on his and got a concussion! He was actually the first person I ever kissed in the sixth grade!haha. We were at a party at Mrs. Cockers for one of the girls. He is lucky he lived thru that as mean as my granny was! hahaha He was always so sweet and kind. I am so sorry you lost him at such a young age. Wish I had had the chance to see him in our adult years. I bet his children and grandchildren are darling and I know he loved them very much. Sincerely, Tanya

“ Richard,

You will be missed. I know you are in the Lord's arms now and are smiling that wonderful smile. Radleigh knows that you loved her and you kept her in your heart. She will be ready to hug you in Heaven someday. Rest well with the love surrounding you.
