Reminds me of us being in church and Momma singing to all the old songs. I know Momma is singing to you now. She's hugging you and welcoming you home. I wonder if she still gives haircuts. Love you 🙏

Rita loved to draw. Ever since she was a young girl, she could free hand draw. She even sent her drawings off to see about going to class to help her improve herself. She instead. Hose to draw for enjoyment. Since the cell phone and all you can do on them, she started coloring pages. This was one she sent me a week ago. She got joy in her art.

Here is our mom. I don't have a good clear pic of dad. If any others have one clear pic can you post it?

I wanted to give equal billing to them both. I mean having nine children albeit one was a stepson, they loved us and helped make us who we are. God has plans for each of us. The only thing that holds us back is mainly the baggage from the past. Sempre avanti. Move forward. Love you mom.

“ My loving sister. I will miss you. You always had a smile for me. You fought hard and you won your prize. Face to face with Jesus. And all the ones who have went before. Great reunion in heaven. Watch over us as we continue our earthly journey and be our cheer leader. One day we will see you in the sweet by and by on that golden chariot rolling right along, to bring us home.
