“ *Mary, I just found out that you lost your husband, Robert. I am so sorry!
May the good memories of your times together comfort your heart.
Love & Prayers, Your cousin, Sarah*

“ *Mary I am very sorry for your loss. My uncle bob jack was so bitter and it worries me that he left thinking none of his family loved him but we did very much. He was my mother's brother and he came to see her one last time I tried to make amens then not sure it ever was accepted. I know he is at peace now. If you need anything please call Kim she has my info. Love Lisa*
