

Robert "Aaron" Clay

March 20, 1980 - November 1, 2023

Robert "Aaron" Clay of Celina, Texas was born March 20, 1980 in Sherman, Texas to Robert and Karen (Daily) Clay. He passed from this life to his forever home on November 1, 2023 in Dallas, Texas.

He is survived by his wife of 22 years Kylie (Thomas) Clay, son Bradley "Easton" Clay and daughter Bella Emmaline Clay, his parents Robert and Karen, sister Heather Kuhns and husband Jimmy, father and mother-in-law Frank and Paula Thomas, sisters-in-law April Collins and husband Brian, and Lauren Johnson and husband Chaz. Nephews Caleb Clay Ellevold, Kage Collins and Trace Johnson, nieces Kimber Collins, Kassidy Collins, and Paislee Johnson, as well as many aunts, uncles, and cousins.

He was preceded in death by his grandparents Robert and Lavelle (McLarry) Clay, and Doyle and Elizabeth (Burkhalter) Maxey. Aunt Cathey Reynolds, uncles Tommy Reynolds and Tedwin Maxey, cousins Todd Allen Clay and John "Bradley" Pate.

Aaron attended Calera schools where he met his future wife Kylie in the halls of Calera High School during his senior year in 1997. It was rumored she actually asked him out first. Kylie was a freshman and Aaron a senior so marriage had to wait a few years but finally arrived on July 29, 2001. Aaron loved Kylie, Easton and Bella unconditionally as well as his entire family

including aunts, uncles, and cousins and will be dearly missed.

But most of all Aaron loved God and was saved when he was 10 years old. He and his sister, Heather, spent many nights and weekends in lock-ins at the church or Falls Creek and was fortunate enough to help lead Easton to the Lord.

After being out of school a couple years and working and trying to decide what he wanted to do with his life, Aaron finally decided to attend college. First at Murray State and then to OSU Okmulgee Tech receiving his associate degree in Engineering Technology in 2003. He worked at a number of Architectural engineering firms as a draftsman and finally as a medical equipment placement technician. His current place of employment is HDR in Dallas, Texas.

Aaron was a man of many interests and passionate about all of them. He loved sports including baseball, basketball, football and golf and participated in all from an early age. From an early age, and many times he could be found attending his beloved Rangers baseball or Cowboys football games and is probably ecstatic about the Rangers finally winning the World Series. His love affair with old and classic cars and working on them was unmatched except maybe for possibly racing. He was an avid fan of auto racing of any kind from dirt track, which he participated in a few years ago, to NASCAR and all in between. If it had a motor and wheels he was a fan. He also loved hunting and camping and went deer hunting almost every year from when he was 7 bagging more than one buck along the way.

In lieu of flowers, the family would like for donations to be put in a trust for the children: Kylie Clay Benefit account 6503039 at First United Bank.
