“ *I've known and loved Bobby my entire life. In fact - he would typically call me or send me a message on FB on my birthday to tell me that he was there the day I was born. Every significant life event for me included Bobby. After Dad died I'd feel close to him when I talked to Bobby. Thank you for sharing your warmth, your humor and your love with me Bobby. Big huge hugs to you - and be sure and squeeze Lynn for me when you see her and tell Dad I'm still missing him and his advice!*
