“ Bob and I were first cousins. Sadly, we had had no contact with each other, until a couple of months ago we had talked by phone a couple of times. I am so thankful we were able to make that family connection! My thoughts and prayers are with all of you.

“ What a wonderful tribute to your father. The music is perfect! Great photos! I hope it won't be long before Kim, Melissa, and Deanna can get together. The timing of this was so unfortunate for all of you. I wish you my best. With Love, Patricia

“ Rest In Peace gramps. One of the last things you told me as you were going to the hospital is “theres my krissy” with a smile on your face and i told you that i love you not knowing that was the last time i was going to see you. It breaks my heart but i know your in a better place not suffering anymore and your reunited with grams. You were the best grandpa and the best role model anyone could ever ask for, you showed me what true love is over the last 27 years especially when you stuck by grandmas side till her last day. I could go on and on about how good of a man you were, i love you so much and I will miss you terribly❤️
