“ *Happy Father's Day Dad! My favorite memory of you is the time we drove to Colorado and camped in the mountains and the chipmunks raided our camp and shredded all the toilet paper and marshmallows! I want to Thank You for choosing to be my dad, for being what you didn't have to be for me! Every fun memory from my childhood has you in it, you were such a blessing in my life. I hope you rest in peace, free from pain now... Tell Grandpa George hello for me! I love you always!*

“ *You loved for family to get together & have a good time, sit around chit chat, talk about old times. Kim & I watched your girls today, trying to be strong. There were those fleeting moments where you'd see the struggle, but only for a moment. They held up well.*

*They're strong girls & we know you'd be proud.
We hope you & our Dad are having a good time, chit chatting,
talking about old times. You will be missed. We love you!*

Rest in Peace, Robert.

“ Rest in Peace Robert, soar high with the Angels. I am the oldest child in the family. I took care of Robert and my other Brothers and Sisters when we were growing up while our Mother worked alongside of our Father. I was there the day Robert was born. I put the first diaper on him and fed him his first bottle. I will miss my little brother, Robert, and our Brothers that have gone before us.

May God Bless and Grant Peace to all the Family and Friends.

All My Love, Lillie Otto Almand.
