“ Sherry,
This is Ken Plumlee. I was so very sorry to hear about Roddie's passing. I often thought about him and have shared many stories of our childhood with my wife. Of all my friends, Roddie was always my Dad's favorite. I think it was because they were very much alike. I always drive through the old neighborhood when I am in OKC and remember all the wonderful neighbors we had. We live in San Antonio and cant make the funeral but will be thinking about you and the family.

“ I'm very sorry to learn of Roddie's death. We went to grade school together at Lafayette in Oklahoma City and to junior high and high school together at Southeast, OKC. In looking at the attached picture, I see the same smile he always had. I especially remember him in 5th grade, Mrs. Clark's class. I won't say he was the class clown, but he always kept us laughing. I can see that sly smile from those days right now.

Sherry was a fellow classmate and later was our band queen at Southeast. She lived on 47th Street and I lived on 46th Street, both near Lafayette. I have fond memories of our days as children and teens.

God bless the memory of Roddie. Sherry, I'm thinking of you today and remembering you in my prayers.
