“ *Roger was more like a brother than a friend. In fact he was my brother in law for a while. Right after I returned from southeast asia, him and I celebrated my home coming. Sure gonna miss my best friend. Rest in peace brother. T.C.*

Roger was truly a great and loyal friend who always kept us laughing at his antics and had a great love for music. Had many nights driving old county roads and listening to the Grand Ol Opry (or Wolf Man Jack). Visited him while he was in rehab where he kept saying he wanted to go home. Well my friend you've ran your earthly journey and now you are truly home. I'm sure St. Peter handed you a guitar and you're making some beautiful music. RIP my friend til we see each other again

I knew Roger but I didn't really know him. We would always laugh and joke around. Roger was a great guy. I'll miss visiting with Roger.
