“ I was saddened to hear of Rogers death. He was my first FTO at SW back in 1981. For about 2 months, he was like a father figure to me explaining everything I really needed to know about working patrol. He was patient, informative, respectful and kept the job fun. May you find comfort through memories, family and friends in the days to come.

“ Julie, I am so sorry for your sudden & tragic loss of David. He was always around when Aunt Floye watched Brenda and me before and after school. What a sense of humor he had. He touched a lot of lives & I know all of you have tremendous holes in your hearts. Heaven can never be the same after David arrived there.

“ Julie, I am so sorry for your loss my heart goes out to you. David grew up as a brother to me coming home with Dan from church. He worked with my brother Glen on the Police force in Dallas. He was in the singers at church when my Mother passed. David has been connected to the Neal family in so many ways. We got to spend some time with David at his 50th reunion this year and I am so blessed to have had that time with him , laughing and remembering. I loved David and my whole family loved him. He was just part of our family. He will be greatly missed. Peggy Neal Rehnquist

“ Some would consider a second cousin to b a "distant" relative. We were never distant! Ive been blessed to be quite close to him& yall all these years! Aunt Floye was my babysitter so David was a big brother to me . In adulthood he spoiled me by mowing the "Dutch" yard when it got away from me. Our last visit was @ alumni mtg- Homecoming. He was so happy to attend 50th BHS Reunion! David& Julie have helped me many times. Hes one of those people whos never supposed to leave us! Tears as I write this. Our loss is truly Heavens gain!!!
