“ We go all the way back to elementary school, growing up together in the same neighborhood we couldn't help but get into some kind of mischief. Wether it was catching tadpoles where we didn't belong or walking home from school just because, Ron was always ready for the next adventure. He and I spoke on the phone a few years ago laughing like we were still kids. Until we meet again my friend just know the world won't quite be the same.

“Lori, Robert, Jenny, I know, no words can really help to ease the loss you bear, just know that you are very close in every thought and prayer, my heart is with you.

*Ron gave memories I'll never forget. I could always rely on Ron whenever I needed help, whether with a project or some mundane chore that he was always so willing to help me with. I came to trust Ron's judgment and his advice was always so well thought out and helpful. I admired all those wonderful qualities that made him the special person that he was. He had intelligence, wit, and a caring heart that made him a great friend. The Bible says that "Blessed are they that mourn for they shall be comforted." I pray that God will bless all of us and give us the strength to carry on.*

*Always your Friend Ray.*

“Grew up 2 blocks from Ron back in middle school years and high school years. 6th grade summer through high school. Had a lot of good times and laughs and got in trouble a few times lol. Ron was a good guy you could count on. Tough as nails even way back then. Very sorry to see this. Prayers to all his family members and friends. Rest In Peace Ron.

Uncle Ronnie wouldn't be bothered to buy a card- he took his time to do something even more special for a little kid and made this for me- never forgot it or him!
