“ *Sad to hear of our fellow classmate, Rosalie, passing. She was always so full of energy and made all around her feel good. Rosalie was a valuable member of the DHS class of 1961. We missed her at our recent reunion and I wondered where she was. The world and our class are better because of Rosalie being our friend and fellow classmate.*

“ *What an honor it was to know Rosalie. She was such a kind and generous woman. She touched my life in a very special way - showing me what love, loyalty, and sacrifice truly means when I was a young woman. She adored her family and was so merciful to those who God placed in her path. If you have seen Rosalie, you have seen the hands and feet of Jesus. I am so grateful for God's gift of eternal life through Jesus Christ to be able to see her again one day.*

*Please know you have all been in my prayers since her diagnosis and will continue to be as you find your new "normal" with such a great loss.*

*Love,
