“ Rosie,

You were the first person to stay with Mike, Mikaela, and Annabelle after I was unexpectedly hospitalized with leukemia. I honestly do not know how we would have managed without your help.

Family meant everything to you, and you showed us in so many ways. I will never forget beautifully decorated Christmas trees, perfectly wrapped presents, and fun filled Easter egg hunts. You never missed a birthday and always sent the best cards to make us laugh. You made the most delicious chicken and dumplings, pinto beans, and so much else.

It is impossible to list everything I will miss about you, but know that your courage, sacrifice, and love has made a difference in my life and so many others.

With eternal gratitude,

Gerrie

“ Dear Mom,

I want to thank you for all the work you put into raising me – all the trips to Scottish Rite Hospital and Alice Carlson Elementary. If you had not lived the life you had, I would not have the life I have. For that I will be eternally grateful and will miss you until I see you again.

Love, Mike
