“ I meet Roxie when she worked at Jackpot Java in the casino. She trained me to prep all the food. We got to talking and she asked me if I liked cats because she had a couple of cats that had kittens and needed to get rid of a few kittens. I said no thanks at first but she talked me into it without consulting my husband. Lol we went and picked up a male and female. After that everything her cats had kittens she would ask me if I wanted any more. Lol. She was a very sweet woman. She will be greatly missed. Sending prayers of comfort for the family. I wish I could be there to help celebrate her life. Unfortunately I no longer live in Durant. I will keep her family in my prayers. RIP Roxie.
