“ Roy,

*It is no secret you have always been one of my best friends. My first kiss, my first love. I grew up and we both realized we were like brother and sister more than anything. I have more memories with you and Joy and the gang than anyone in my life. I will miss you dearly. We may not have seen much of each other over the last few years but, with friends like us we didn't have to. We will miss you but, I know I will see you again. Until then, you will give my old man someone to pick on. Tell Uncle Jess hi and I will see him again as well. I will see you again my friend!!!! I love and will miss you til then.*
