“ *To the family:*

I am sorry for the loss of your dear loved one. I understand that this is a time of great sorrow, I just wanted to give you a few words that helped me when I loss both my mother and uncle to death two years ago. The man job in the bible said these words found at (Job 14:14, 15) If an able-bodied man dies can he live again? All the days of my compulsory service I shall wait, Until my relief comes. You will call, and I myself shall answer you. For the work of your hands you will have a yearning. So from this we know that Jehovah God yearns to bring our dear loved ones back to life. If we live our lives in harmony with God's will then we will see our loved ones again. It is my hope that these words will give you a source of encouragement in this difficult time.
