“ *I was about 13 years of age in 1947, when Mr& Mrs. Campbell moved to our community of Bray, with their children. I had never before seen such a long long car that J.D. drove.*

I am so thankful to have had the opportunity to be friends and neighbors to such a super nice family all these years.

On our way by to visit with our Aunt Grace Smith, we would stop by and say hello to Mrs. Ruth. One time she was not in the house, yard or garden, but way out in the pasture with her hoe, cutting weeds. I have nothing but precious memories of Mrs. Ruth and Mr. Leonard.

“ We are so very sorry for your loss. She was a wonderful person and we treasured our friendship with her.

We have had as much fun out of Mr. & Mrs. Campbell as we did our own Mom's & Dad's.

Outside of the fact they were Ronnie's Mom & Dad, (we graduated with Ronnie) when we lived in the "Perry" house on 22 South of Bokchito, Mr. Campbell stopped by nearly every time he went to town. Always looking for Bub, just to tell him something that had happened to him, it might have been that day, the week before or when he was a child but we enjoyed the fellowship.

Later years we rented their place for cattle. We begin to get acquainted with Mrs. Campbell. I have to say there was never a finer, kinder, sweeter, funnier, loving person than she was!! Bub always teased them, he would go check cows and Ms. Campbell would be working in the garden, mowing the lawn or doing whatever and Mr. Campbell would be sitting on the porch! (Of course, he may have just taken a break or just sit to rest a few minutes) Whatever the reason, Bub gave him the devil over sitting on the porch while his wife was working. We have to water trees around our house now & Bub just hates for me to go out and water....he says teasing me, people gonna come by and say there's Leonard Campbell letting his wife work. ha ha

Their influence will be with us for the rest of our lives.

- 1.They taught us their hard work ethic,
- 2.They taught us to love the land,
- 3.They taught us their strong character,
- 4.They taught us their unwavering love for the family,
- 5.taking care of your neighbors,
- 6.helping others &
- 7.they taught us you can have lots of laughter in your life and still love the Lord!

They did all this, you might say, without saying a word. We were a young couple, who wanted to be like them when we reached their age.

We are better people for having them in our lives. Hats off to the end of an era, God just don't make them like that generation any more.

We extend our love to the family. You were blessed to have Mrs. Campbell for you Mother!!

Love you all,
Bub & June
