“ Dear Sammy,
When you get to where your going make sure you find the important people that you missed so much. Make sure when you run into my mom and dad to give them a big hug and kiss for me, when you reach Mark smack him around alittle and then hug him. I will miss you my big cousin but I will always remember who told on us for smoking in the barn! Love you! Enjoy the other side as we will meet again there someday.
