“ *I put the air conditioning in her new house in Griffith Switch. We were standing where her kitchen was to be and she was asking for another grille in the kitchen. I told her it would be too much, she said “ What could happen”. I started spinning in circles like I was in a tornado, I thought she was gonna choke from laughing so hard. I love this woman!*

Rest I peace sweet lady.

“ Thankfully I have enough memories to last a lifetime. I went to school with Sandra from the first grade until we graduated high school in 1971. I have memories of us getting ready to get our shots prior to starting first grade and Pete taking us. In the twelfth grade we ordered our senior rings that were just alike of course. We thought they were beautiful but Juanita told us they looked like they had been buried and we had just dug them up. Teasing us of course as I can remember Juanita doing a lot of in those days. I truly love this family with all my heart and Sandra will be truly missed. Forever in my heart! Debrah Bearden Moore

*It has been too many years since I saw Sandra. Between the Monroe girls The Bearden girls and Nancy Brown we had so many laughs. You rest now in the arms of our Lord.

She loved each and everyone. I think one of her favorite stores they took shower she wanted to be the leader and ran through the Bearden house naked and there sat Mr. Bearden reading the Bible.

“ I am so sorry to hear about Sandra. I wish we had spent more time in our adult years than we did. I know when we ran around we were like the four muskateers, Pat, Sandra, and Janet were my buddy cousins and I hate to lose her. I send many prayers for the rest of the family and welcome your call anytime or a visit. I hate that we only see each other at reunions and funerals only. I wish you all the best, especially during this horrible 2020 year. I will not be able to make the service due to dealing with lung problems and usually come with Stan and he is dealing with trying to get past chemo and awaiting good news from the next test coming up. I will miss her if we get to start up the family reunions again, if contacted I would love to come to those if close to kingston. Love you all, Dianna (Dianna Goff Kubacki)
