“ We always had so much fun when we got together....especially in Dales fast Ford....Vicki loved to drive it and one night we were speeding along outside Aztecwhen all of a sudden a State Police car on the other side of the highway flipped a u-e.....she turned off the highway onto a dirt road and turned the lights and motor off....fast....he didn't see us turn because he kept going.....we got a good laugh on that one.....could have been he wasn't even after us, but we sure thought he was....oh the good ol days.....
I am so sorry that she's gone. We didn't stay in very good touch after she went back to Ok.....but she was in my thoughts a lot.
Prayers to all of her family.
A good ol friend.....Evelyn Locke
