“ *Vickie, what can I say? I am so sorry for your loss and know that nothing I can say or feel can express what you must be going through. No one should ever have to bury a child. And not having one myself, I know I cannot truly relate. The only thing that I can tell you is that at a time like this, your only hope is to turn to your family, friends and the Lord. My thoughts and prayers are with you and your family. And I pray that God will help you bare this burden and guide you through this.*

In Christian love, Cecil.
