“ *37 years makes us Sisters- in- Love not just Sisters-in-law. Save me a spot in that beautiful flower meadow Shelly Belly, we will have so very much to catch up on that day! I can only imagine the havoc that has been wrought now that you've joined Kim & Lavone, but how glorious it must be! I love you.*

“ *My very first of many memories with Shelly was when she moved to Calera School in 8th grade.. her favorite color was green and she seen a green ink pen on my desk and asked if she could borrow it..I told her to keep it I had plenty more where that one came from...and that was the beginning of our lifelong friendship...I LOVE YOU MY SISTER AND I WILL ALWAYS MISS YOU BUT MOST IMPORTANTLY I WILL NEVER FORGET YOU...*
