“ Bo Miller once told me, "now herby don't you worry or bothered by what people say at all. You here me? Don't let it get you down." He told me this when I first met him and his family at Bowen. I was a mischievous ten year old who had bad eyesight and had to wear thick lense glasses to see. I was made fun of a lot. So I remember those who went out of their way to let me know they were there for me always. Bo Miller spoke to me like that for 40 years. He now worries no more. I applied what he said and I know why. Because as Christians nothing should get to us. Make fun of us its ok God forgives. Steal from us its ok it belonged to God. Take the life of our loved ones its ok we are the children of the Lord and our lives belong to the Lord. Beat us up thats ok because our pain belongs to the Lord. Bo Miller has passed away its ok for Bo Miller belonged to our Lord and Savior.
