“ *Sherry was a bright spot in the lives of the Sullivan family when she was a kid. She had a sense of humor unlike anybody I have ever known and kept us entertained with her antics. She was delighted to be a "junior bridesmaid" at my wedding in 1975 and we felt like she was the third sister we never had. I guarantee you heaven will never be the same since her arrival. I have so many sweet memories of her from those days long ago that I will cherish forever.*

“ *I am so sorry to hear that we lost our Sherry! She was like the 3rd of the Sullivan girls. There's just not enough time/ space to tell of all our adventures! They include a near miss riding bicycles on hwy 22! She made a unique ice cream cone. Friends, you've never lived til you bite down on ONION in the middle of ice cream! I am devastated that she has passed, but forever grateful for her humor& friendship!!!*
