“ I agree with Monica there are too many great memories to choose from. I will always remember how she hated to wear shoes. Every summer at the lake in ft supply she was bare footed the entire time. Will always love and miss you bunches aunt Shirley.

I spent many hours sitting and talking and visiting with her we used to go to yard sales and we love going through the drive-through at McDonald's for one of those mocha coffee drinks she sure did love him she loves her puppies. She's a wonderful person to talk to and get them out she is a tough cookie and will let you know what she thinks in a heartbeat. When I would ask her for advice she would give it to me although sometimes I did not like what she was telling me I mean she was always right I thought of her as a friend and I will miss her dearly

I just happened upon this obituary, in looking for something on my mom. This Shirley Jean Allen sounds JUST LIKE my mom "Shirley Jean Allen" Brackett. It's amazing. I'm sorry for your loss. I'm sure since she was a tough cookie as stated in a comment here, that you are as shocked as I am about my "tough cookie" mom, passing away. Just can't believe she's really gone.

“ *My love and prayers go out to Amanda, Bobby and Sarah during this time of loss. Shirley spent her life loving her family, her dogs and getting by day to day. I will always treasure my memories of when our kids were small and we were able to spend time together at the lake.*

“ *There's so many grew memories about Aunt Shirley but I guess the one that makes me laugh the most is when her and Aunt Donna almost ran Aunt June over cuz she was behind the van 🤪 and her smile. Aunt Shirley had the best most beautiful smile ever! RIP Aunt S, I love you*
