“ Aunt Bonna and I grew up together and were partners in crime as the saying goes. Lavanna has always been more than just my Aunt, she has been my friend as well. We all miss her but are at the same time rejoicing that she is having a grand reunion with her parents, daughter, brothers and sisters. Love You Lavanna. Billie and Charline Goar

“ Shirley was a fun and sweet woman. She had an inner light that just shined out when you looked at her smile. I will remember her always and fondly. My condolences to Terri (who I will always see as one of the little girls running around playing with the kids) and her whole family.

“ My greatest sympathies to the Ricky and the whole family. I worked with Shirley at the school cafeteria for years and thought a lot of her. She was a good friend and a great woman. I am sorry I was unable to attend the funeral as I am in the hospital. I know she will be missed by many. She will always hold a special place in my heart.
