“ *We had to say goodbye to our new little addition to our family. My heart breaks for my niece. Losing a child is the utmost worst thing a parent could ever go through. Even though he was just with us a short time, we will always cherish him and always wonder the possibilities. What kind of man he would of become, what kind of life he would of lived and how many hearts he would of touched, in our hearts.... we know he would of been an amazing person. To my little nephew..... we will miss you dearly and will love you always. 💔💔*
