*So sorry about our loss of a fine person I enjoyed doing business with for several years. One of the main things I admired about Steve was his love of his family. He brought kids, grandkids with him to many jobs, stopped & picked them up at school then they would be back with a snack & continue working. I'm sure most of them will be fine carpenters. I pray peace & blessings in his family.*

“ Steve, you were supposed to be stubborn & mean to die. That's what you always told me. I just can't wait to get you back in the resurrection. First, I'm gonna smack ya for dying on me & then I'm gonna give you a great big hug. Your little Sis misses you terribly.
