“ May God give y'all the strength to get through this tough time. Kasey and Brittni y'all are in our thoughts and prayers. I wish there could've been a better outcome, but know that y'all's angel baby Talon will be watching over y'all. Love y'all. Christie and family. My mom doesn't have a computer so I am writing for her too. She wanted me to tell y'all that she is thinking about y'all and praying. She said to tell you "love you" from Aunt Cathy.
