“ So sorry to hear about Tommy, he was one of the sweetest, smartest, and well-mannered student we had at Caddo Schools. I have just been remembering all the fun and good times we had in the classroom, playground, school activities, and any where you saw Tommy or any of his brothers; they are all winners. His mom is one of the greatest moms, room mother, and always a joy and champion for her boys. Always enjoyed seeing her later at her business to catch up on her boys. Our son Mark was in his grade. I have taught 35 years and am always appreciative of the love and joy each student leaves in my heart and Tommy and his brothers are one of the special ones. Prayers of comfort and strength for all his family and loved ones. Linda Combrink, jwc100@yahoo.com
