“ *Peggy and Cynthia, I am soooo sorry and saddened to hear of your loss of such a dear Sister. Thursia was my best friend from the first day of school until we graduated high school then I left and we loss track of each other I often thought of her tho. Thursia will be missed. Shes not really gone she will still be with you everyday. in each sunrise and sunset, a whisp of wind, a smile, a memory, a bird song, in your heart.... My thoughts and prayers are with you. With deepest and heartfelt sympathy.*
