“ *Todd was definitely one of a kind... Very kind and generous in nature... I work with him at Lowe's and despite his illness, he never once complained and always had a smile on his face. He was fun to work with and it was a pleasure knowing him... My heart goes out to his family during this time of sadness... But we should not be sad for him because he is no longer in pain and he is looking down on us with that big smile he always had...*
