One of my fondest memories of my Uncle Tom was him playing his guitar and singing Rocky Top. I will never hear that song without thinking of him and smiling. I remember the wonderful times our families shared together growing up and the great fun he and my dad had together. I also loved playing golf with my Uncle Tom. I sure will miss you! See you in heaven. ❤️

“ *The Kent & Linda Pharaoh family extends their sincerest sympathy to the family in the loss of their father, Tomme. We cherish our memories with Tomme, Shirley and their two children when they lived a short distance from us during their time in Henryetta. We knew them to be a very loving and Christian family. Their son, Mike, and our son, Brian, enjoyed hunting and fishing adventures together on numerous occasions. May the Lord pour out His Peace and Comfort on you in your time of bereavement.*

“ Tom and I go back to 7th grade, and Shirley was one of my best friends. There are so many good memories of singing to his guitar playing and just being around the two of them. Tom was always the epitome of kindness and politeness with a great sense of humor.

“ *To Tomme’s family:
Although he was my dear cousin, we spent little time together as adults, through the years. My memories of him, in our younger years, are very dear to me. He (and Shirley) were both very precious people, and my love and sentiments go out to all of his family.
With much love and prayers,

“ I worked with Tom for many years at the old and new Henryetta Hospital. Tom was a caring, compassionate, and godly man. He loved his family and the many, many people he took care. My prayers to his family for our Lord's peace and comfort. Donna and Harvey Fields

Tomme and his brother Mike were special cousins of mine and my 4 siblings. We didn't get to spend near enough time with them. But the love and memories that we do have will stay near and very dear to us. Hope to see them on the other side and try hard to make up for all that lost and wasted time we had here. I have so many sweet memories of them from our childhood! Linda Raye Green Oelrich Cook.

Very nice notes from both you and Mary. David, Paul, and Johnny share the exact same sentiments. We were all very close as kids and had many great times as cousins. From family reunions at the Thomas Place, softball games, rabbit hunting, and several golf games in Raton. Tomme was a very humble and decent person and did his very best at every endeavor that he attempted. Our thoughts and prayers with his entire family. God Bless,
John & Donna
