“ Dear Angela and Randy and family,
I was sad to learn of Uncle Tommy's passing and want you to know that you are in my thoughts and prayers. No matter how old we are it seems that our fathers will always be with us. I felt like a child again when daddy passed away, but since that time I've come to realize that their spirits are always with us. The few times I had a chance to spend time with Uncle Tommy he always had the most wonderful stories to tell, and we never went away without a good laugh. I hope you hold onto these memories during these especially difficult days, and, again, please know that you are in my thoughts and prayers.
Your Tennessee cousin,
Flora Claborn Miller
