“ I have known Tony my entire life. He was a great man, father and grandfather. You couldn't ask for anyone better. He would do anything for anyone and was so handy. On my wedding night, he told us he was so proud of us and that meant a lot to me. Both Linna and Tony are two of the greatest people I know. A true family man, by all definitions. Forever missed and forever in our hearts. There is peace in knowing that thanks to the grace of God, we will all be united again in Heaven.

“ *I loved my dad more than words could say. He did everything he could for his family. I don't think this man ever met a stranger and he loved so many people. He had a very special bond with all his grandchildren. He loved both of his kids very much. My mom and dad had a marriage most people would only dream of.*
