“ I remember when Tresea and Lisa were born and how you couldn't tell them apart, such pretty girls. I loved that family and Tresea was always jolly and lot's of fun to be around! We've had good visits, but had not seen her in several years, she'll be missed by her lived ones. Know I'm praying for Chad and Lisa,for I know how close the two were. Least she is no longer in pain. My Prayer's for all. Love you all! Donna Barber Boydston.

I remember when I moved to Durant that you two girls were some of the first friends I made. Since the day we meet we were not far apart from one another expecially threw our last few yrs of High School. You both are dear to my heart and Ricky and Randy were like brothers to me I wish I could be with you at this time. Tears fill my eyes but there is much love in my heart for Tresa. I sat with her spoke to her prayed beside here when she had that wreck. Not many knew I was there with her your Mom did. I was working at TMC at the time. But Ill never forget that nor will I forget all the memories I have with her and you Teresa I am praying for you all to find comfort and peace may God be with you and know an angel flys high with her Momma now shes in good hands for sure love you all
