“ *I'll miss you forever Bubba. We grew up together spending the night with each other every other weekend from 3yrs old til older teenagers! I never thought I'd live to see this day. I'm definitely definitely beside myself. You were the true brother that I never had, Didnt need one because I always had you. Ill never forget ur pet racoon "Billy", we had lots of memories and stories and good and bad times with that racoon of yours, You loved it to death and it definately loved you in return. Then we grew up and grew apart as we built our own separate lives and families but one thing for sure, OUR BROTHER LOVE WILL LAST THROUGHOUT ETERNITY!!! All I can do now is wait for the day I can hopefully see you again. In one way I'm speechless and in another I could go on and on forever. Love ya throughout eternity bub. Til we meet again bro.*

“ *I grew up with Troy and Troy/Bubba Holland was always kind and treated me like a brother. He was truly a genuine and sincere person and I will miss him very much. I know without a doubt he is proud of his new grandson and will be watching over him from Heaven. He was and will always be my brother. I pray for his family and I know they will be sad but they will be ok because of the lifetime of love he gave them. His big ol' smile can not be forgotten. A true Angel is now watching over them! I love you brother!!

“ *I worked with Troy for many years and he never failed to leave a smile on my face after one of our conversations. I appreciated his wit, humor, and commitment to "get the job done". Due to a position change I didn't speak with Troy too much over the past few years, but every time we did speak it was just like old times. I pray for comfort for his family, friends, and co-workers. Remember all the smiles he gave us and be thankful for good and bad times shared. To Troy - thanks for the memories!*

“ *Troy Holland – Terrific guy to work with. Always available and straight forward. Provided excellent service and managed all loads and drivers really well.  
47 is way too early to lose Troy. We are missing Troy and want to hear his voice again.  
Our prays and thoughts are with the family.

“ *There are not enough words or hours in my lifetime to express what this man meant to his family, his friends, his community or to myself. We could live a hundred lifetimes and it still wouldn't be enough..*

*We are all born with a purpose. I believe part of Troy's purpose was to show strength, compassion and love to all those he encountered. To show us that we are to stay positive and grateful for everyday challenges and blessings. That joy is a choice. Chose JOY. Chose LOVE. Live this life to the fullest with those you love and love those you encounter.*

*My heart is broken. Not just for the loss of my friend, but for the family and friends that Troy leaves behind. My heart hurts for all of us...*

*I am hopeful in the promise and Joy of the Lord who brings comfort to the broken hearted.*

*I will see you again my brother, my friend. I can still see your smiling face. Continue to smile down on all of us.....*
