“ My heart is so full of love for my Aunt Juanita Akins.

I now find comfort knowing Juanita is now reunited with Uncle Elmer and my Mother in the presence of our Lord. My Mother, Ruth Akins always spoke of Juanita with the upmost respect and love. My older Brother Calvin Landers loved and appreciated her.

I have personally been blessed with a handful of long visits in my Aunt's home as a young child and a teenager. It was during these visits and over the landscape of my life, that Juanita touched my heart deeply, and I will miss her so much. She has a wonderful warm spirit that brings real comfort to my soul.

Juanita was a awesome cook who always made sure her guests were well fed and taken care of in her home.

I enjoyed my visits with her so much!

Juanita has left us all a long lasting impression of goodness and love. I will hold close to my heart Juanita's memory until we meet again.

“ *Memmie was a wonderful person. She had a deep love for her faith and had great pride and love as well for her family. She was also concerned for others and not for herself. Everytime I would visit she would make sure we had a good home cooked meal. Which we looked forward to as well. No one could cook like Memmie. I love you Memmie, and I will miss you dearly.*
