“ *The Sunday School class that Vera taught will always be a cherished memory. We learned so much about the Bible and the Joy of being a Christian and serving the Lord. And we learned a lot about ourselves as we shared and laughed . Love, Judy Nichols*

“ I will always treasure the times we shared God's word, I had my cup of coffee and she had her bottle of water. James knew if the phone rang after a Cowboys game, it was Vera. He was the only one in the park that could boss her and her listen---if she wanted to. She was a die hard BAPTIST but she always wanted to go with us to listen to Andrew Wommack at Jubilee. She enjoyed the trips to I-Hop with her friends or actually anytime with her friends and family. I remember hiding from her one time to call Dudley to tell him she was in the hospital because I was under strict orders not to do so. My favorite one of all tho was the advice about life she gave my grandson Bryce when he came in from Korea. Let's just say there was no misunderstanding the message. She was one precious lady and I have her peanut brittle recipe.

Vera was a strong determined Christian. She wanted everyone to know the truth of God's love shown by Jesus. She was a kind, caring friend. Garry said she was such an encouragement to him by being a faithful choir member. God bless her family as they remember her example!

Mom never stopped learning. She was valedictorian of Eakly High School in 1944. She learned to sew, swim ride a bike as an adult. She took Bible study courses to further her biblical knowledge. In Southern Baptist work she taught VBS, Training Union, Cradle Roll ministry, adult ladies Sunday School. She always subscribed to a newspaper. In her 70's she learned to used a computer; one of her greatest joys was receiving and sending emails. Then she joined Facebook where she could keep up with even more family and friends. What a legacy!
