“ Dear Bill, Denise, Billy and the entire family,

I was so sad to hear Vestal passed. I have so many fond memories of her and she had been on my mind lately. Vestal was one special lady and I always thought she was the "coolest" Mom!

She will live in my memory and heart forever, please accept my deepest sympathy.

“ There are no words to explain the pain I feel inside. My whole life I always believed you would be here forever. Now that you are gone there is an empty space in my heart that will remain forever here and can never be replaced. It will remain till the day we see each other again. There are so many things I never got to say because our time together was cut short, hope you know now what I should have said then. Hope you know how much you meant to me. My life as I always known it will never be the same without you here. I love You Granny
