“ *Vickie - I learned of your death recently, and I have to say it broke my heart. I worked with you, and trained you for my position and am glad it went to you, you were always such a peach and a joy to be around. I will think of you often. I miss you and love you.*

“ *Misty, I am so sorry to hear about your mother passing. I enjoyed working with her years ago when we were both working here in Madill for Mrs. Little. I am glad I had the pleasure of meeting you and your brother also. I pray God will give you peace and comfort on those difficult days.*
