“ Firstly, my sincere and heartfelt sympathy to my sister Ceil, and my nephew's two boys Derek and Austin. It is so surreal. They say that the good die young, and this is so true of my nephew Vincent. I called him that since he was a little boy. Then when he got older and all of his friends and cousins were calling him Vinny so I joined the club. I have a lot of fond memories of him growing up, and very proud to say the least. Vinny was always there to help you out or give you advice, especially when it came to cars and motorcycles, and boy did he have his share! I remember one year 2004, my wife and I and my two girls stopped by on a cross country trip to say hello, it was fathers day weekend. The radio in my RV was giving me trouble and I decided to get a new one while I was there. Well, before I new it Vinny was ripping out the old one and had the new one in pronto! What a great nephew! Always there for you! I'm sure he has the Angels hot rod club already to go! I will miss him greatly! Until we meet again Vinny, may you live in the peace and happiness of our lord for ETERNITY ! I love you!

Sincerely,
Uncle Jim B.

“ I remember Vinny from working at the S.O. First time I met him I thought "Man is he short." But as I got to know him I realized it wasn't the height in him it was the bark. I will always remember the sense of humor he had. He could be serious one moment and have you in stitches the next. Vinny, God took you WAY too early my friend but he other plans for you in Heaven. Fly high my friend. Til Valhalla!

That was a fun night. And vinny was a great guy. Was my pleasure to know him over 25 years. Boy oh boy we did some dumb stuff over the years but I wouldn't change any of it.
