“ *Great Aunt Gene was so so sweet and I will always remember her smile which was similar to her niece, my mom. We were blessed to have such a sweet soul in the family...all of her sisters were seemingly cut from the same cloth. Enjoy the reward that your faith and eternity bring Aunt Gene! Love, Chris*

“ *Aunt Jean, you're in heaven with Grandma and the rest of your family. Love you...*

“ *As the teacher of Virginia's Sunday School class, I hope the family realizes how much her class will miss her sweet presence among us. She was a lovely lady and graced our class when she was able to be with us. We are also aware that because of her long-time commitment to her Savior, Jesus Christ, Virginia is joyfully gracing a much more splendid locale now.*
