“ To the family:

I am so sorry for your loss. I understand that this is a time of great sorrow, I just wanted to give you a few words that helped me when I loss both my mother and uncle to death two years ago, found for us in God's word the Bible; (Ecclesiastes 9:5) "For the living are conscious that they will die; but as for the dead, they are conscious of nothing at all," so many times we may worry about our loved ones that have died. But this thought from the bible helps us to appreciate that they are no longer affected by this wicked world we live in, and they are awaiting to be awoken from their sleep to life on this earth when it is transformed into a paradise we are promised this too at (Psalm 37:29) The righteous themselves will possess the earth, And they will reside forever upon it. It is my hope that these few words will give you a source of encouragement in this difficult time.
